**OCTOBER 2020**

### **NEWS FROM THE FIELD**

The coronavirus is still affecting many of our churches. This past month I had two meetings cancelled. Beginning this month, I had another church cancel our scheduled meeting because the church had members who tested positive. The churches had to stop having services for two weeks. This is happening in many areas across the country. Please be in prayer for our pastors and churches who need wisdom from the Lord during these trying times. This is a very serious and dangerous virus and we certainly need the protection of the Lord.

**October 25**, I preached and sang at the **Cozaddale Baptist Church**, Goshen, Ohio, Pastor Travis Burke. The meeting was to be a surprise for a very dear friend of mine, **Jim Wilder**. He had requested his pastor have me come sometime and preach. So, the pastor and church planned a **SURPRISE DAY**. They had a surprise song leader, some surprise Sunday school teachers, a surprise Junior Church leader, and then a surprise visiting preacher who was me. It was a wonderful day! A delicious dinner was served for everyone at church, and truly it was a surprise for Brother Jim Wilder. The pastor asked me to preach in both morning services and in the evening service. Several came forward when the invitations were given for various needs. This was the first time for us to meet the pastor and to be at this church. My wife and I were treated so wonderful and we just fell in love with the members, the pastor, and his family. They have an exciting church with a good bus ministry and a Christian school. Most of all they have a burden to reach the lost in their community with the Gospel.

### **PASTOR TRAVIS & STACY BURKE**

**October 30-November 1**, I preached and sang in a Bible Conference at the **West Griffin Baptist Church**, Griffin, Georgia, Pastor Raul Bergerman. The church furnished a beautiful place to stay and served some delicious meals. There were several preachers present from different states. My wife and I were especially encouraged by the preaching of several young preachers during the conference. Our good friend **Joe Head**, who recently resigned his church of 38 years to become a full-time evangelist, preached a great message.
